

My Offering

Help & Tips

Selecting this tab will display “My Offering Giving History” as shown in the below figure.

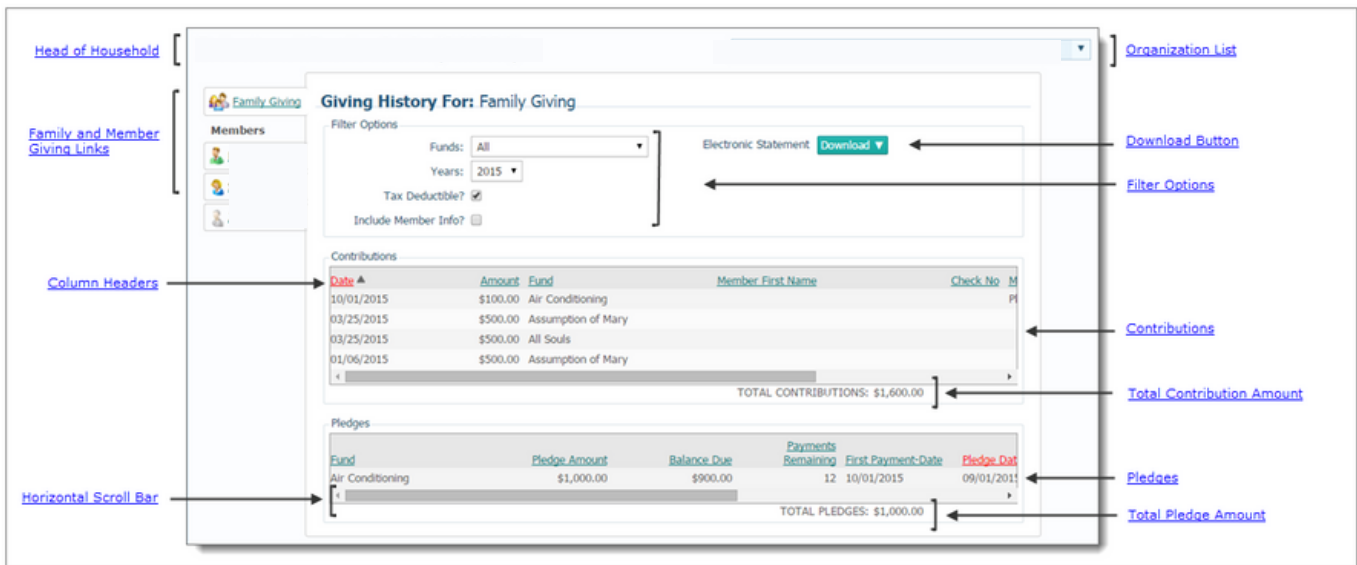

Giving History.

If you want to know how much you have given to your church in a given year or when you made your last gift and how much it was, you can find out by looking at your giving history.

Key elements of the Giving History page are identified in the below figure. This information includes all your tax-deductible gifts.

Note: There is a delay in updating the records on this page because the data are periodically transferred manually to My Own Church-My Offering, Giving History.

Electronic Statement Download:

Pop-up Blockers: pop-up blockers: The software uses pop-ups to print certain forms and some PDF reports.

If You are unable to print your giving history report because you have a popup blocker, you may need to disable pop-up blockers for your ParishSOFT software website. Click on the link below for your browser to learn how to update pop-up blockers.

Note. All changes you make to your record are automatically sent to a church administrator for review. To view the administrative action taken on a particular change request, select “View Notes”. The Suspense Notes window opens to show you the type of change requested and if the change was approved or denied.
