ST. PATRICK
Catholic Church

May 13, 2025

Dear Community Supporter,

St. Patrick Catholic Church annually holds our parish festival, CountryFest, the weekend after Labor Day. We will hold CountryFest on September 6th and 7th, with our Teen Block Party held on Friday evening, September 5th. CountryFest is one of the largest festivals in Anoka County, and continues to grow. This year we hope to exceed 4,000 attendees.

We rely on the support of many organizations within the community, and we are asking you for your support. This could be a donation by check, in-kind services, items for prizes, gift baskets, and gift cards. **Please call our Donations Coordinator, Jacqueline Soucie at 612-710-0563**, to arrange a donation pick up at your convenience.

Checks may be made out to St. Patrick Catholic Church and mailed to the address below. Please mark **CountryFest** on the note and/or envelope.

Our Federal ID Number is 41-1230136 and we are a charitable corporation for tax purposes. Should you need documentation of your contribution for tax preparation, I would be happy to provide a letter upon request. If you have any questions about CountryFest, please do not hesitate to contact me at the number listed below.

We always encourage our church members to patronize our donors. *They reside in 33 different cities* and work in many more throughout the Twin Cities. **Your company will be listed on our CountryFest Business Sponsor list in our church bulletin and our website.**

On behalf of the 2200 families who are members of our church, thank you for your consideration and support of CountryFest.

Blessings,

Kristann Yocum
