What Activated Disciples of ReachMore Are Saying

"The Reach More experience was time well spent for me. There were about 12 in the group I was in and we formed a special bond and friendship. I learned to go deeper in my relationship with my Lord and also learned tools to evangelize others. I was able to identify how the Lord was calling me to serve others. I would sincerely recommend Reach More to those who want to go deeper in their relationship with our Lord." - Jeff Green

"Reach More has deepened my prayer life which gave me the confidence to pray with and for others with greater intention. I am better able to listen intently and communicate my care for others through the Reach More sessions." - Sally

"One great thing I learned going through the ReachMore process was the value of our testimonies; how hearts and minds are really touched by sharing authentically how God has worked and is working in our lives. ReachMore helped me to tell my story effectively and to understand that I don't need to know everything or somehow be perfect for God to use me to touch the hearts and minds of those around me." – Jenni Fuchs

"This experience helped me realize that discipleship isn't complicated—it's relational. I've grown closer to Christ and to the people He's placed in my life."

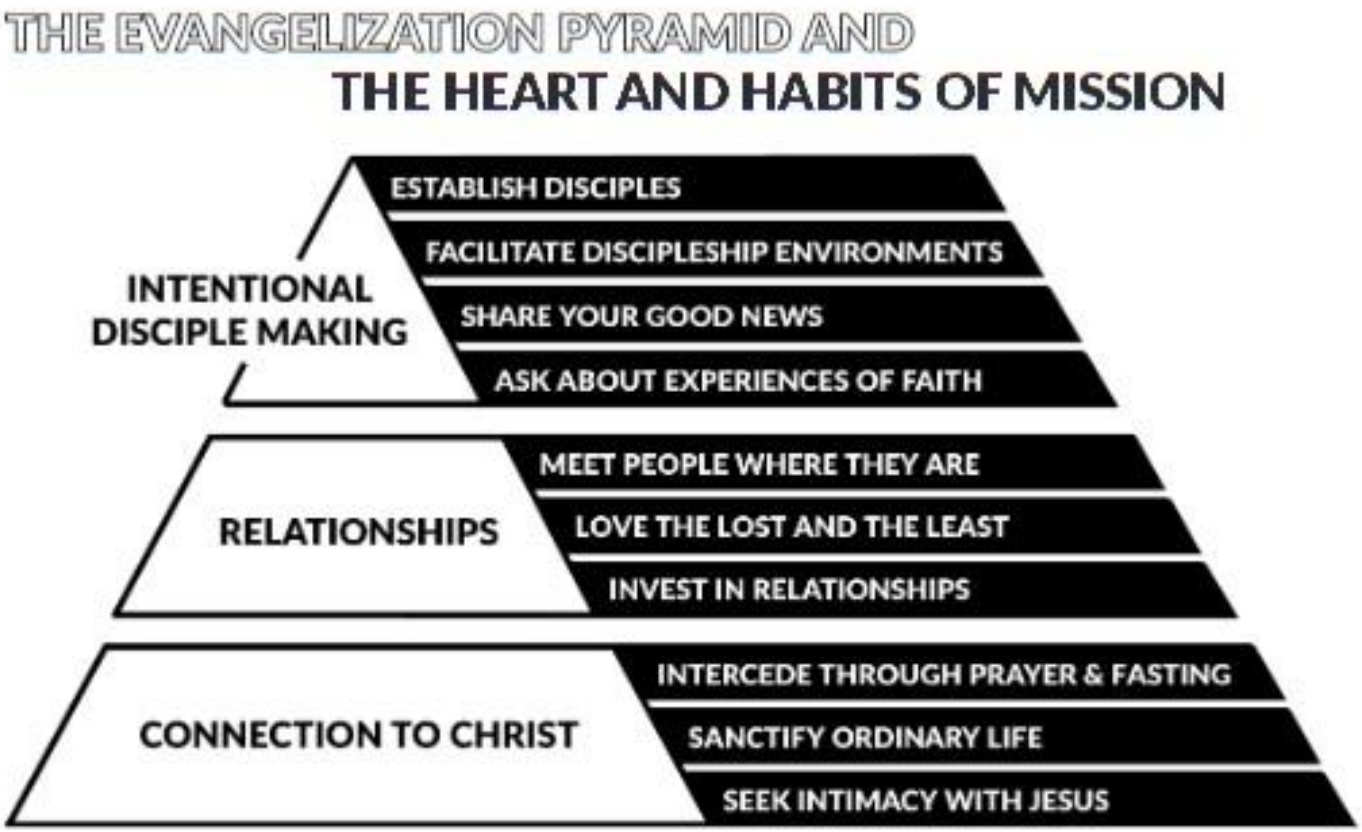
"Through the blessing of ReachMore, I became more comfortable with different forms of prayer, met wonderful people and grew in the desire to share my faith with others. I gained leadership skills and learned a lot about myself." – Mary

"Reach More helped me to feel more secure in my faith journey. It given me the desire to help others on their faith journey". – Sharon

"I was praying to God "Lead me Lord" and one of the places he led me was REACHMORE. REACHMORE ignited in me to be a witness of God's love and trusting that His word would touch my heart. We are all called to be "other Christs" to friends, neighbors, co-workers, and family. REACHMORE helped me to obtain this. "For Your mercy towers toward the heavens; your faithfulness reaches to the skies." Ps57:11 – Marcia

"Reachmore gave me a loving group of people to "do life" with! They supported me in building my prayer life and continue to uplift my social life today! I'm grateful for being a part of a Reachmore group because it gave me the connections I was always longing for." Nancy B.

"Because of ReachMore, Brian and I were asked to pray for a neighbor who had just passed away. He had been in hospice for a long time, and the family was unchurched. About an hour and a half after his death, his wife called us—before calling a pastor or even a friend. When we arrived, his wife and son looked at us, unsure of what came next. So we prayed—spontaneously and with the Divine Mercy Chaplet—and spent time with them as they shared about his passing. We left humbled beyond words. You never know when God will call on you or what He will ask. ReachMore prepared us to step through that door and bring Jesus to our neighbors in a way we never could have imagined." Robin.

“In Reachmore, they teach us to "run with Jesus!" By going deeper in my relationship with Jesus, and by learning how to share Him with others effectively, I have discovered the mission God has for me. Since Reachmore, I'm better able to hear the Holy Spirit prompting me, and having the trust to respond "let's do this!" – Amee


“I was a member of Reach More Team #9 that met from September thru December, 2023. In January 2024, I would endure a season in my life like no other I had previously experienced. My husband, Dave, was scheduled for aortic valve replacement surgery on January 3, 2024. This is a somewhat routine procedure with a 2-3 day hospital stay. However, Dave developed complications post-surgery and would spend 24 days in the ICU (with a few of those days being very critical) and 2 weeks at a re-hab center. During this journey I reached out to family and friends near and far with prayer requests. Frequently, I was able to share the news of answered prayers. I hung prayer cards along with family pictures in Dave's room. I kept a prayer shawl on him for his entire hospital stay and prayed over him daily. During the hardest days there were times where I could only find the strength to pray 'Lord, help us'. I knew in my heart others were praying. With the Laudate App I went to the Liturgy of Hours to find 'O God, come to our aid. O Lord, make haste to help us.' Verses from scripture were sent to me that were just the words I needed to hear and cling to for that day. As I reflect on this journey I am not sure how I did it... but then again I do know.”
The fruit God produced for me was in my prayer life; an increase in my personal prayer life (a closeness to Jesus like no other in my life), a 'no hesitation' to reach out and request prayers, an excitement to share the news of answered prayers and a much deeper belief in the power of prayer. And I must say this fruit was quite different from what I envisioned as I wrapped up my Reach More training. - Cindy O.
